

Boston Police Department Overtime Structure

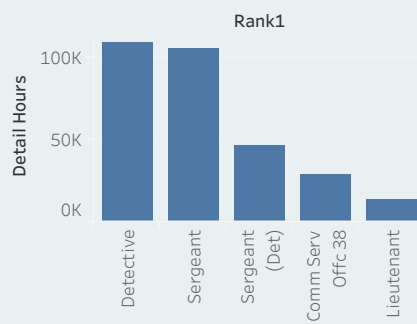

A 2016 audit says that around \$40 million could have been taken out of the police overtime budget and put into community-related initiatives. The following dashboard analyses police overtime data to see how it is distributed by police ranks, overtime type, units/districts and who pays for it. We want this dashboard to serve as a way for people to truly think if their exists an overspending or not.

Top 10 Highest Working Units/Districts

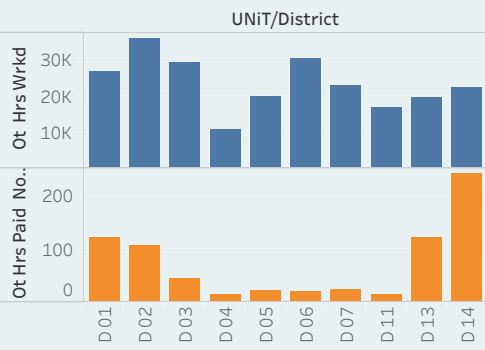

The highest unit was Special Eventsaccounted for almost 30M hours in 2021; however it is a really broad unit therefore it is not included in the graph.

Details Hours worked by Rank

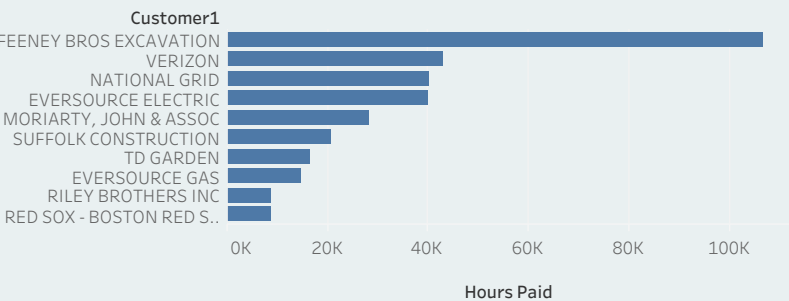

Sum of Detail Hours for each Rank1. The view is filtered on Rank1, which keeps Comm Serv Offc 38, Detective, Lieutenant, Sergeant and Sergeant (Det).

Paid Hours Worked vs Paid Hours not Worked

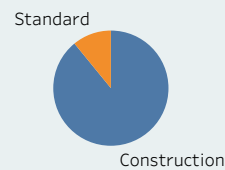

* D stands for District
